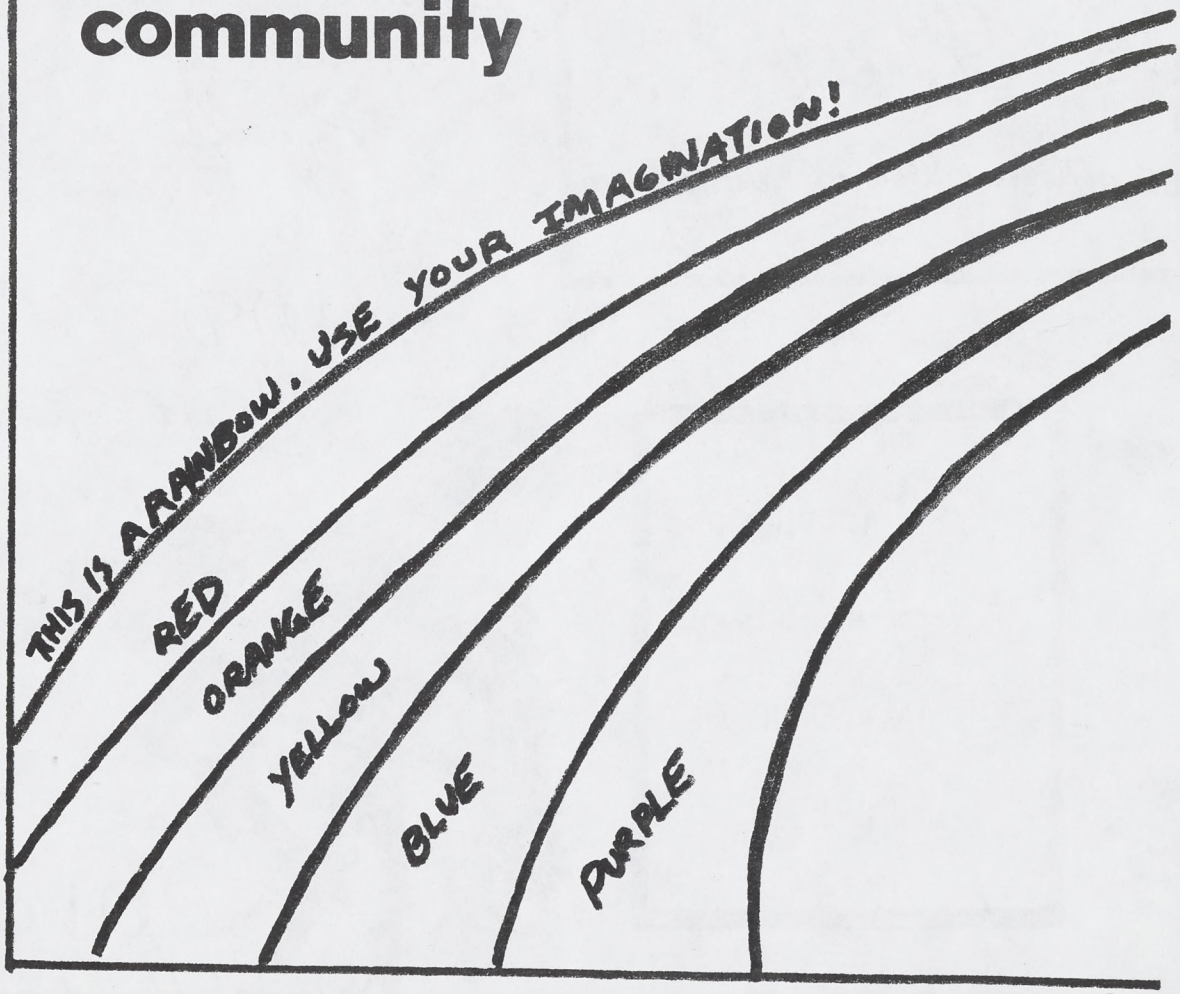
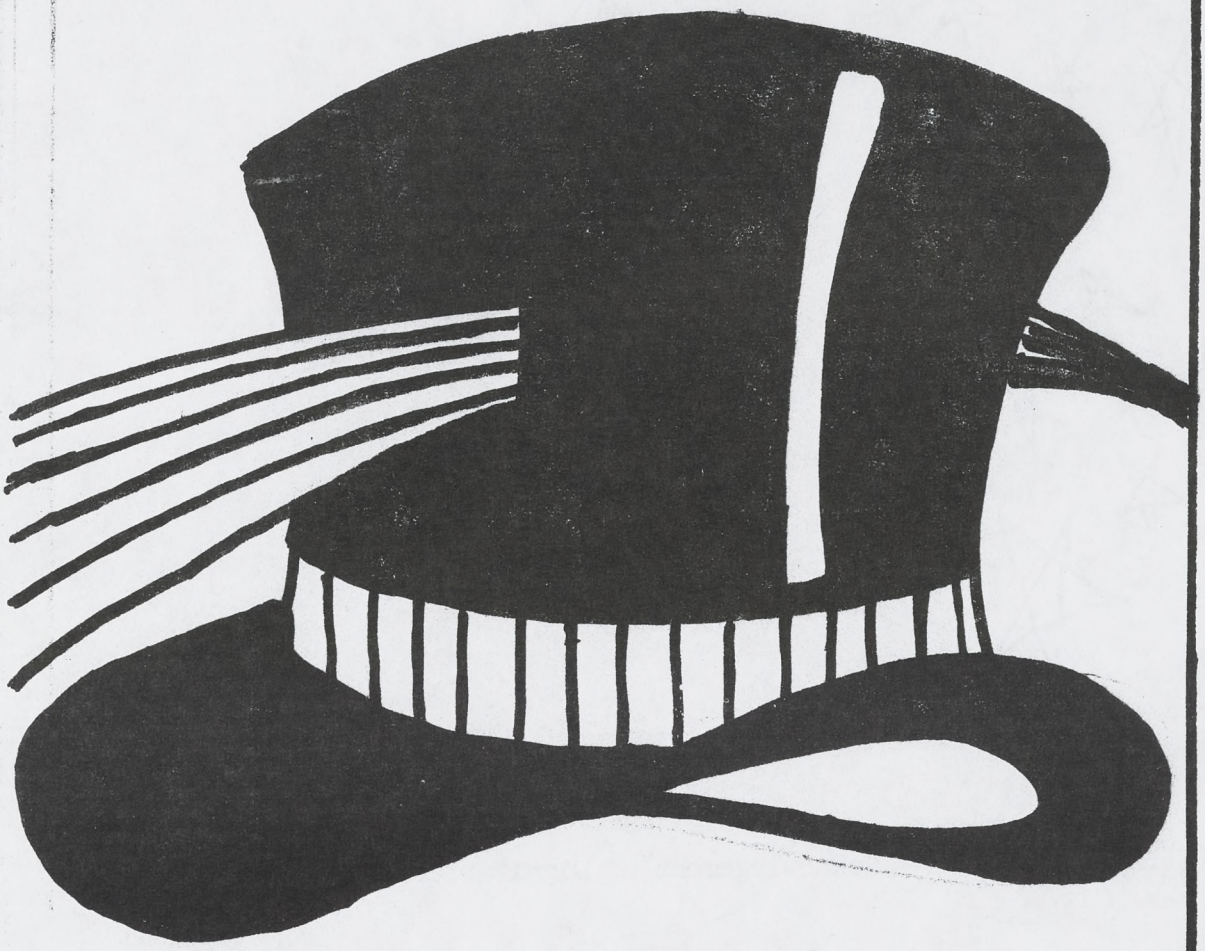
working together for the entire community





As canadates for Duke and Duchess we agree with the goals of G.N.I.E. Our motto is "Working Together For The Entire Community." We believe in a united community, by working together we can help promote that community. There are many charities in our community that need money and support. Working together, united, we can raise money that is needed and offer support and help. We ask for your vote to show you we can and will work together as Grand Duke and Duchess.
